*  Comment. The report indicates that most of the headquarters units of the IX Mtz Rifle Corps in Schwerin, and components of the 94th Gds Mtz Rifle Div were still at the post at the beginning of June 1950. Previous reports stated that only a few Schwerin units, probably GHQ units or AAA units of the Third Shock Army or of the 94th Gds Mtz Rifle Div, had left Schwerin.
